Project Narrative for Agricultural Data Statement
SolarPark Energy 12 Solar Project

December 2, 2019

The SolarPark Energy 12 Solar Project is located at 423 West Sweden Road, Town of Sweden, Monroe County, New York. The proposed project consists of a 5 MWAC photo voltaic energy system and associated electrical equipment, access road and fencing located at 423 West Sweden Road in the Town of Sweden. The project site is located north of White Road. The project includes two parcels west of West Sweden Road with a single point of interconnection on West Sweden Road. The total parcel area is ± 129.71 acres and the area of the solar farm is approximately 28.3 acres. The parcels are currently identified by Tax Map ID numbers. 82.04-1-5 & 82.04-1-6.1.

The property is zoned by the Town of Sweden as One-Family Residential (R1-2). Solar farms are allowable within the R1-2 zone and subject to Site Plan and Special Use Permit review. The site plan layout is in compliance with the guidelines and requirements of the R1-2 zone and supplemental solar regulations. The site's existing condition is best characterized as meadow, consisting of meadow fields and brushland.
