

TOWN OF SWEDEN

HIGHWAY DEPARTMENT

40 WHITE ROAD – 637-3369

BRUSH TRUCKS FOR RESIDENT USE

The Town of Sweden conducts a town wide brush pickup every year, one in the Spring and one in the Fall, for residents outside of the Village.

For those residents wishing to dispose of brush throughout other times of the year, the Town of Sweden will deliver a truck for overnight use to residential homeowners to load for disposal of brush. There is no charge for this service.

- Residents must call the highway garage at 637-3369 to reserve a truck for overnight use. Residents can request a truck up to two times per year.
- Residents must specify whether they need a smaller one ton truck or a larger ten wheel dump truck, and where you would like the truck to be parked.
- Trucks are generally delivered at the end of the workday and picked up early in the AM on the next day. If requesting a larger truck, and you have a paved driveway, you may be asked to sign a waiver for any damage to the driveway
- Please load your brush as neatly as possible so that limbs are not overhanging the box of the truck, and please do not overload trucks.

BRUSH DROP OFF

- Brush can always be dropped off during normal business hours M-F 7am-3:30pm
- Maximum six (6) foot lengths
- Leaves and grass clippings are accepted but must be in biodegradable bags
