

DECEASED ANIMAL PICKUP

The Town of Sweden Highway Dept. will pick up deceased animals on Town and County roads. All animals must be located within the town's right-of-way, which is approximately 33 feet from the center line of the road on each side of the road. If the animal is on private property, the town cannot remove it.

All deceased animals on New York State roads are picked up by a private vendor that NYS contracts with. We are not allowed to pick up animals on NYS highways. Phone numbers to call for pickup are as follows:

Town and County Roads:	Sweden Hwy	(585)-637-3369
New York State Roads:	NYSDOT	(585) 753-7780
