

LOCAL LAW 2 OF 2022 RESCINDING
CHAPTER 80 OF THE SWEDEN TOWN CODE

Be it enacted by the Sweden Town Board, County of Monroe, State of New York (hereinafter referred to as the Board), that Sweden Town Code Chapter 80 shall be rescinded as follows:

TITLE

This Local Law shall be referred to as "Local Law 2 of 2022 Rescinding Chapter 80 of the Sweden Town Code".

AUTHORIZATION

This Local Law is adopted pursuant to the legislative authority and Municipal Home Rule Law §10 and Town Law §261-264.

PURPOSE AND INTENT

The New York State Building Code has set standards for the physical construction and operation of elevators and other conveyance equipment. Effective January 1, 2022, the New York State Department of Labor regulates the qualifications of those trades in the elevator industry statewide and this new legislation requires business and occupations that engage in design, construction, installation, inspection, testing, maintenance, alternation, service and repair of elevators to be licensed by the New York State Department of Labor. Consequently, in order to avoid duplication and/or conflict with the aforesaid New York State Law, the Board feels it is in the best interests of the Town of Sweden to rescind Sweden Town Code Chapter 80.

ACTION TO BE TAKEN

Sweden Town Code Chapter 80, entitled "CONVEYANCES", and adopted by the Board in 2008, is hereby rescinded in its entirety
