

The meeting of the Pre-Disaster Mitigation Planning Committee started at 7:00 pm on Thursday, June 26, 2003, at the Town Hall, 18 State Street, Brockport, New York.

The following were in attendance: Patricia Connors, Don Grentzinger (left meeting for one hour), Wayne Moore, Fred Perrine (arrived at 7:45 pm), Jim Whipple, and Marleen Cain.

Wayne Moore will give Marleen Cain his email address for notices and minutes. Jim Whipple is back online and gave Marleen his email address.

Three committee members did their homework. Marleen then took what they had submitted and gathered information from the Town offices and rewrote hazards 1 through 19, turning what the county had written to what the town and village will have for each hazard. A copy was distributed to all present and each hazard gone over. Further amendments were made. Marleen will now put it all together.

As further hazards are received from the county they will be distributed for revision by committee members and returned to Marleen. Once the remaining are reviewed, another meeting will be scheduled.

Meeting ended at 9:40 pm.
