

The meeting of the Pre-Disaster Mitigation Planning Committee started at 7:00 pm on Thursday, June 5, 2003, at the Town Hall, 18 State Street, Brockport, New York.

The following were in attendance: Patricia Connors, Nancy Duff, Matthew Minor, Charles Sanford, Bradley Upson, Dan Varrenti, and Marleen Cain.

Marleen Cain asked for assistance in answering the questions to rank the remaining hazards. After much discussion the last hazards were ranked in the HAZNY software.

After all of the hazards were ranked in the HAZNY software, discussion took place and mitigating measures determined for each of the hazards.

Appendix B of the plan template is a hazard specific analysis for each of the hazards to be included in the plan. The county has completed nine (9) hazards and forwarded them to us. We will be using as much of what they have written for our own plan but we need to modify to include Sweden/Brockport specific information and data. The nine written by the county were distributed to all committee members. Each was asked to use their expertise to change or add to to make it specific for our municipalities. These are to be done and returned to Marleen by June 19th. They will then be consolidated and made ready for review at the next meeting.

The next meeting will be at 7:00 pm on Thursday, June 26, 2003, in the West Conference Room, Sweden Town Hall, 18 State Street, Brockport, New York. Meeting ended at 10:50 pm.
