## PERMIT FOR OPEN BURNING

1. It shall be prohibited to open burn any materials in the Town of Sweden unless a permit has been obtained from the Town Clerk.
2. Permits will only be issued for the purpose of burning tree stumps, branches, incidental wood scrap material, and brush cleared from land used for agriculture.
3. Each burning event shall require a separate permit.
4. Applications shall include:
  - A. Name and address of property owner.
  - B. Map indicating location of material to be burned.
  - C. Description of material to be burned.
  - D. Proximity to neighboring dwellings and structures.
  - E. Payment of required fee (as established by the Town Board).
5. **After issuance of permit, property owner shall give forty-eight (48) hour notification of intent to burn to the Fire Marshal/Code Enforcement Officer at 585-637-8684.**
6. The burning of garbage, plastic rubber, bedding, paint cans, other petroleum-based products or hazardous waste shall be strictly prohibited and cause for immediate revocation of permit and may result in further civil action and penalties. In addition, green or wet material shall be required to be seasoned or allowed to dry before the issuance of a permit. Recreational fires do not include burn barrels or any other fire events that contain household rubbish.
